

OSA-3162-64

21 JUL 1964

MEMORANDUM FOR: Chief, Materiel Division, Office of Special Activities

SUBJECT : Orientation Period for Fuel Supervisor Destined for Thule Air Force Base

25X1A

1. [REDACTED] Fuel Supervisor, has been cleared for assignment to Thule AFB, Greenland. In order to allow overlap with the departing Fuel Supervisor, a reporting date of not later than 21 December 1964 must be planned upon.

25X1A

2. Previously, there were intentions to bring in [REDACTED] then unknown, for OXCART fuel program orientation. If a TDY-orientation period is still desired, [REDACTED] must complete the TDY orientation by 5 October 1964 in order to comply with Air Force PCS alert regulations.

25X1A

3. Comments from your office are requested.
